Para 4 of Rule 6 is not sufficiently clear. The first sentence refers to fresh liquor, i.e. liquor kept less than 10 days old. The second sentence refers to liquor (both old & new) sent to places more than 50 miles from the distillery.

Fresh liquor should not be issued except in rare cases.

In the case of fresh liquor as well as in that of old liquor, there should be a distinction made between issues to short distances & issues to long distances.

Para 4 was intended to meet both cases but has not been worded with sufficient clearness. I send the proposed modification to both rules.

(1) That the liquor issued from the distillery should as a rule be old

Liquor ice should be
kept cold or more.
Each bottle should be
marked at 20° under
proof for distances
under 50 miles and
19.5° for more than 50
miles, and charged for
at 20° underproof.

(2) That fresh ale
ice should be kept
dry and clean and
be sold in original
casks, and that it shall
be marked at 19.5° under
proof for delivery
than 50 miles and at 19°
for delivery more than
50 miles, and be charged
for at 20° underproof.

The object of the
notification is to
ascertain the
of each liquor and
to provide for both of
these things during transit
but no more than
that is absolutely
necessary.

I agree with the Magistrate in the construction he has put upon the Rule & in his comment upon its working. The meaning of the Rule is this: "No cereals shall be sold other than what purchased from a Bonded Depot nor shall it be diluted or adulterated."

When cereals below the authorised strength is found under circumstances which lead to the belief that it became so owing to the conduct or neglect of the licensed holder or his Vendor, it shall be seized & placed before a Magistrate who after hearing the parties by sufficient

self that it is below
the authorized standard
& shall ~~forthwith~~ consequently
cause it if the case is
one of wilful neglect,
and, not only confiscate
it, but also proceed
under para XX of
the case is one of wilful
wilful dilution or
adulteration."

In cases where
there is no evidence
of collusion or
connivance, but
the complainable
is a conviction
proceedings should
be taken under para
XX of the
Section.

The present
draft does not
meet the case - the
necessity for a penal
provision in the case
of lower strengths
than 20° U. P. has been
elsewhere provided
for & need not be
repeated here (Rule VIII).
Neglect & wilful
misbehaviour have
not been differentiated -
the procedure to be
adopted in each
case has not been
laid down.

Memo.

Please see letter No 3878/392 dated 30th March 1896 from the Excise Commissioner in Mysore, submitting for approval and early publication, a revised draft of the Arrack Rules.

The file relating to the amendment of Arrack and Toddy Rules with File No 276 containing Messrs Parry & Co's Bond is before the Secretary.

The Excise Commissioner requests that the Arrack Rules as now submitted may be published without delay, so that the intending bidders for the future Contract may know what

the Rules are on the subject.

In the draft Rules now submitted, wherever the amendments have already been sanctioned or where references for them are made, the Rs and Os of the orders have been shown in pencil and spare copies of such orders separately put up.

It will be seen from the Excise Commissioners letter that the modifications proposed to Part I of the Rules are already in force, though they have not been republished with the Rules.

Memo in re Revised Arrack Rules.

The alterations proposed to be made in the Arrack Rules are unobjectionable and may be passed. The greater portion are merely appropriate verbal changes; the rest are intended to bring the Rules in conformity with existing orders of the Excise Comm^r, with the existing practice, and with the conditions laid down in the Sale Notifications for separate shops and vend farms and in the draft Notification submitted to the Bidders tenders for the Manufacture of Arrack. In one of two instances I have made very slight verbal changes that seemed to be suitable.

2. It is unnecessary to enumerate the merely verbal changes and those sanctioned by Govt or in conformity with the Notifications referred to above. I shall briefly notice the modifications made on the Excise Comm^rs own initiative or in accordance with practice.

Rule II. 8. 1st. The addition here made was intended to specify the duty of the carrying Contractor with respect to the transport of other Country spirits, such as 60° over proof and methylated spirits, to Hospitals, Colleges, etc. But this was admitted ~~by~~ by the Excise Manager the unnecessary, as the Rules are not intended to specify the Contractor's duties, and I have altered the clause as in the draft Notif^n.

Colonel State Resident. The alterations made in Rule III are also based on the same draft notification. R-III

Rule IV.

4. The reference to "clear and pleasant spring water" is in accordance with permission given by the Ex: Comm^r to Parry & Co., in anticipation of Govt sanction.

5. I have struck out the addition regarding Standard Brass, as it was admitted to be unnecessary and to have been disapproved of by the Dewan.

6. Cassella's Hydrometer has been introduced in the Distillery by order of the Ex: Comm^r.

7. "16° centes" changed to "15° centes" by the Ex: Comm^r after obtaining Chemical Examiner's opinion.

8 & 9 (old rules) are included in New Rule 7.

11. (old rule). Unnecessary and not in force.

12 (old rule) The spirit running from the ... still) 3 stills after 3 hours is pure, so that new rule is sufficient for all practical purposes.

13 (old rule). said to be impracticable and inconvenient. At the same time, the tinning of metal vessels may be sufficiently regulated under Rule IX.

14 old rule. } All reference to cash accounts
10 new rule } etc. of the Manufacturer have been omitted as revealing trade secrets and hence objected by Parry & Co., and on the analogy of the Madras Rule.

Rule V.

1. Only foreign liquor shop-keepers can have such spirits (above 20° U.P.), which shall also be double-distilled. Vide Sale Notification "of strength at 10° U.P." — omitted, as unnecessary and purposeless.

2. This provision regarding duty payable by foreign liquor-sellers is necessary as Rule XXI (5)(c) applies only to separate shop-keepers and vend-renters.

3. The addition regarding entry in the license and return to the Ex: Comm^r., is evidently reasonable.

4. "may, with the permission of the Ex: Comm^r," &c. This alteration is due to complaints made by foreign liquor-sellers regarding the indiscriminate fees levied by the Distillery Officers.

7 & 8. The prices of the spirits referred to are to be fixed by the manufacturer himself (Vide Rule II (3)).

~~9.~~

Rule VII.

2. The words "so far as the same may be applicable etc etc." are evidently reasonable, and were inserted at the request of Parsees, the existing provision being too wide.

Rule XIII.

Appointment of "Farm depot & shops," is reasonable and in accordance with existing practice.

Rule XXI.

1. The addition, at the end, of the words "As a rule, the results of the sales shall "be confirmed," etc, — was on the analogy of the Jaddy Rules.

2. Power has been given to the officer conducting the sale to collect the initial deposit, and to favour to dispense with it altogether.

5.(4)(c) & (d). The rate of price is proposed (by Govt.) to be increased to Rs 6-6-0, and of duty to Rs 4 ¾. Vide Diwan's minute & letter to Resident.

—(d). The words "higher or" have been omitted, as the licensee is not allowed to sell spirits of higher strengths.

5 (5). "or depôts" — omitted, because inapplicable to licensees who obtain supplies from the distillery alone.

5 (6). References to the C & M. Station omitted, as they have separate Rules of their own.

5.17(a) "Dy Commr." — altered to "Excise Commr." as the matter dealt with is of a provincial nature.

The duties of the Contractor have been specified, as under existing orders of the Excise Commr.

— (b) The distinction made between licensees of vend farms and of retail shops, is acc. existing practice.

Rule XXII.

Existing practice requires that the name of destination should also be marked on the cask.

Rule XXIII.

The Contractor does not supply attack to Farm Depots. All vend Farmers take their supplies from Bonded Depots, except in the Bangalore Dt., where they take from the Distillery in their own casks.

The measurement of casks, in cases of weighment, has been dispensed with, as under existing practice.

Rule XXIV.

14. The Excise Act contains no provisions ~~for this~~ and prescribes no penalties regarding such cases. But Sec. 55(q) of the Act gives power to frame such rules as would endure to the efficient carrying out of the Act. Hence the addition "departmentally by the Dy Comr with fine not exceeding Rs 50." Compare para 6 of Rule XXI supra, where similar penalties for breach of conditions have been imposed.

Rule XXV

8. Statement 6A is a Local Fund Account sanctioned by Govt, and submitted to the Accts Genl's office every month.

12. "Departmental punishment" vide remarks supra against Rule XXIV.

Rule XXVI

From Bonded Depots.

1. "and of other spirits to hospitals, &c." — a necessary addition.

3. Substitution of "monthly" for "fortnightly" stock accounts, is acc. practice.

Rule XXXI.

The substitution of "Sub Inspectr" for "Asstt. Inspr" has been sanctioned by Govt. in the Home Gazetting Scheme.

Rule XXXIV.

"Jamaica" omitted; as, being part of America, the spirits therefrom are not Country spirits.

The defn of "Foreign spirits" in Notfn No 31 of 9 May 1889, requires the addition here of the words "any part of India."

3. After the draft Rules are sanctioned, the Excise Commr. will make the necessary alterations in the Appendices thereto, and submit the same for sanction.

Subject to Govt. 2/11/96.

Sir,

In forwarding herewith copy of the marginally noted correspondence between this office and the Agent of Messrs Parry and Co; Manufacturers of Country Spirit to the Mysore State, I have the honor to request that the following may be substituted for para 25 of the draft Notification submitted with my letter No 3765/376, dated 11th May 1894:-

"Old Spirit, i.e. Spirit ten days old or more than ten days old, shall, as a rule, be issued from the Distillery, and shall be passed at 20° under proof for Depôts within fifty miles, and at 19.5° under proof for Depôts more than fifty miles, from the

the Distillery, and changed from at 20° under proof. But when, owing to short stock, or otherwise, such old spirit is not available, and it is found necessary to issue fresh spirit, i.e. spirit less than ten days old, such fresh spirit shall be passed at 19.5° under proof from Depôts within fifty miles, and at 19.° under proof from Depôts more than fifty miles, from the Distillery, and shall be changed from at 20° under proof."

2. I beg to solicit early publication of the aforesaid draft Notification regarding Arrack Rules, as well as the Draft Notification regarding Toddy Rules submitted with my letter No. C.36, dated 14th April 1894, as the existing inconsistent provisions cause great inconvenience to the proper administration of excise Revenue.

Dated 24/26th November 1894.

No. 2526/49.

Complaints of the increase of wastage in Depôts have now become frequent. On enquiry it has come to notice that fresh Arrack is invariably mixed, so that wastage increases through contraction. Moreover fresh Arrack has not got the same flavour as old Arrack. The quality as well as flavour improves by age. Under such circumstances the undersigned has the honor to urge the necessity of old Arrack being issued, more particularly as a large stock of it is now available.

2. The provision in para 4 of

of Rule V in Government Notification No. 495, dated 30th March 1892, should not be treated as a general rule but only as an exception to be availed of only when old Arrack is not available in stores.

In continuation of the above, has the honour to point out that under Proviso 4 of Rule V in Government Notification No. 495, dated 30th March 1892, all spirit which is less than ten days old is "fresh liquor". When such liquor is issued, it shall be at

at 19.° under proof, and charged for at 20° under proof. All spirit which is ten days old or more than ten days old, is old liquor. When such old liquor is sent to Bonded Depôts more than fifty miles from the Distillery, it shall be issued at 19.5° under proof and charged for at 20° under proof.

2. To make the point clearer and more practical, the marginally noted amended provision has been submitted to Government for publication with the revised rules now before Government. A Request that the said provision may be abandoned in

> "Old spirit i.e. spirit ten days old or more than ten days old shall, as a rule, be issued from the Distillery and shall be passed at 20.° under proof for Depôts within fifty miles, and at 19.5° under proof for Depôts more than fifty miles from the Distillery and charged for at 20.° under proof. Sir,

Adverting to the Officiating Chief Secretary's docket No. K 17911/R.2584, dated 20th instant, I have the honor to submit, herewith, draft Notifications embodying the amended Arrack and Toddy Rules. I am of opinion that in consequence of the numerous amendments therein, the Rules should be republished in extenso in preference to the draft Notifications similar to those submitted with my letters No. 3765/376, dated 11th May 1894, and Camp No. 35, dated 14th April 1894, embodying only the modifications to be made in the aforesaid Rules.

2. Messrs Parry and Co. executed their Contract Bond subject to the amendments in Part I of the Arrack Rules, and they have applied for a copy of the Rules so amended; but they have not yet been published. In the Notifications for the sale of the Arrack Vend and Toddy Vend Farms and Separate Arrack shops,

several modified terms and conditions have been published both last year and this year; but the Standing Government Rules which contain old terms and conditions quite inconsistent with, and opposed to, those in the Sale Notifications, have not yet been modified. I need scarcely submit that such inconsistent provisions cause all sorts of inconveniences and difficulties. The Contract Bond of Messrs Parry and Co. is not complete without the modified Rules. Under such circumstances I beg to solicit that the accompanying revised Arrack and Toddy Rules may be republished at a very early date, together with all the Appendices which will be sent to the Press on receiving intimation of the above Rules having been approved and sent to the Press for publication.

The provisions in Arrack Rules relating to Civil & Military Stations are omitted, the President having issued Separate Rules.

I have the honor to be,

Sir,

Your most obedient servant

Excise Commissioner

in Mysore.

In reply to docket No. 978 Ex. 32 dated 22nd/24 instant.

SUBJECT.

Returns with opinion Draft Amendments proposed in the above, to the Arrack and Toddy Rules.

The Excise Commissioner returns the amendments with some verbal alterations, which I think may be accepted — except the question of Local Cess on Monthly rents, which involves a matter of principle. As the Excise Comr. states, the local cess is included in the 'Still-head' duty which each vendor pays before removing liquor from the Distillery, & as is expressly stated in various orders; and a portion of it is separately credited to Local Cess in the accounts. It ~~do not~~ has been decided ~~that~~ that no local cess can be again charged on license fees. (G. 1014 d. 31.5.92 Rev. 31 P. 139 Rev. Manual)

From,

To,

The Revenue Secretary to the
Government of Mysore.

Sir,

In returning, herewith, the draft amendments received with your docket No. 978/4x:32, dated 22nd/24 instant, I have the honor to submit the following opinion:—

I. Arrack Rules.

(1) Local cess is merged in the duty of Rs. 4 per gallon of 20° Under Proof—. No separate local cess is leviable under the Rules on license fees on the vend of Arrack, which are determined by the results of the sales of the right of vend. Therefore the words— "together with local cess thereon"— should be omitted in the proposed amendment of clause (2) of para 5. I may add that local cess is levied on the purchase money or rental of the Toddy Vend Farms, because such purchase money or rental includes not only Duty on Toddy, but also

also license fees for the vend of Toddy.
As the proposed amendment applies both to Arrack "Vend Farms" and "Separate Shops", I beg to suggest that the following may be substituted for it :—

"Each month's rent shall be payable "on or before the 20th of the same "month. If default is made, the Amildar "may, with the previous sanction of "the Deputy Commissioner, declare by "record in writing that the license "is forfeited, and proceed to resell "the privilege as soon after the last "day of the month as may be possible. "Provided, however, that in the case "of "Vend Farms", instead of reselling "the privilege as above, the Deputy "Commissioner, may, in his discretion, "direct the Amildar to break up the "defaulting Farm into the existing "number of shops within it, and to "give the holder of each of such shops "a license for the rent he agrees to "pay to Government, provided the "total of such rents is not less than "what the defaulting farmer had "agreed to pay."

(2) For the above reason, substitute the word "lease" for the word "farm" in the proposed amended clause (3); and for the last sentence in it, substitute the following:—

"No remission or compensation or "abatement of the rent shall be "claimable by the licensee on account "of any arrangement which may be made

"made by Government in regard
"to the sale of Country Beer or other
"description of liquor than Arrack,
"or on any other account whatever."

II. Toddy Rules

(1) In line 10 of the proposed amendment of clause (2) of para 6, insert the words — "pay to Government" after the word "to"; and for the last sentence in the proposed amendment, substitute the following:

"No remission or compensation or
"abatement of the rent shall be
"claimable by the licensee on account
"of any arrangement which may be
"made by Government in regard to
"the sale of Country Beer or other
"description of liquor than Toddy,
"or on any other account whatever"

2. In the license forms the necessary alterations have been made from time to time as per changes or additions in the Sale Notifications.

3. I beg to solicit that, as proposed in my letter No $\frac{45/6}{433}$, dated 27th April 1895, both the Arrack and Toddy Rules may be republished with all the other amendments and additions mentioned in the draft Notifications therewith submitted.

I have the honor to be,

Excise 31/12/96

Excise Commissioner's Office

Bangalore, 27th/30th December 1878.

From,

The Excise Commissioner

in Mysore,

To

The General Secretary to the

Government of Mysore.

Sir,

In forwarding, herewith, copy of docket No. 2271/1439, dated 19th instant, from the Deputy Commissioner, Kolar District, together with its original enclosure, I have the honor to state that I concur with the Special Magistrate, Kolar Gold Fields, that Rule XII (a) in the Separate Arrack Shop License 'D', quoted by him, is hardly worded. Similar inconveniences have been experienced in taking up cases of Abkari Arrack both at Bangalore and Mysore. No such difficulty has been felt in regard to the rural shops attached to Toddy Farms, because the provision is

different

different in the Licenses "C" thereof.

I beg to recommend therefore

that rule 11, contained in License "C" may be substituted for rule 11 (a) in License "D", with the necessary alterations as shown below.

"No licensee holder or Vendor shall keep in his shop, offer for sale, or sell any arrack except the arrack supplied by Government; neither shall he keep in his shop, offer for sale or sell arrack of any other strength than 20° under Proof without special permission. The Arrack kept in his shop, offered for sale and sold shall be unadulterated and unmixed. For sales of arrack of lower Strength than 20° under Proof the special orders of the Deputy Commissioner shall be obtained."

A draft Notification on the above subject is herewith submitted for approval and publication.

A copy each of the Licenses "C" and "D" is herewith sent for ready reference.

Criminal case No 1130 of 1895-96

Complainant — ~~H~~ Accused
Government —
Excise Superviser. Chengannah.

Judgment —

Accused, a licensed arrack Vendor, is charged with Committing a breach of the arrack Shop ~~x~~ No 17 license at Chennagunahally, on the 25th October 1895.

Witness examined, Maddan Sing, Excise Superviser.

Exhibit A, a bottle Containing 6 drams of arrack, Sealed.

Prosecution witness found the bottle A. Containing 4 drams of arrack in accused's shop; and added 2 drams from the screw jar for the purpose of

weak arrack from whatever cause;
and the Conduct of the licensed holder
or Vendor may be their carelessness
in having had by screwed jars or taps
allowing of evaporation; This reasoning
is further confirmed by the Sentence
in the same rule "shall summarily
confiscate it if he agrees that it is diluted
or adulterated owing to the licensed
holder or Vendors neglect. The use of
the word neglect "here shows that
it is not necessary for the completion
of the breach of the license that the
accused should actively impair the
liquor; and it cannot be supposed
that the neglect would be the
failure to prevent others from
diluting or adulterating liquor
in his own possession and control;
unless therefore neglect includes
means by which the liquor becomes
weak other than by dilution and
adulteration; it has no force. The
Rule under consideration is badly
worded, and instead of "if he
agrees it is diluted etc the words
"if he agrees that it is below the

the authorized strength" had been used, no room for argument as in this case would have been given. The last Sentence of Rule XII states that where there is evidence of dilution etc The Case will be heard under para XX of the licence. There is no evidence of dilution or adulteration, such evidence can only be obtained by Any analysis of the liquor, nor it clearly loses strength by simple evaporation. The words of this Sentence in Rule XII Stand apart from the rest of the Rule and are peremptory. I must therefore discharge accused Chengannah. The liquor in "A" will be confiscated

Sir,

Adverting to Government Notifications Nos 5508/Ex. 182, and 5512/Ex. 183 dated 11th December 1895, published in Part I of the Mysore Gazette of the 4th instant, I have the honor to solicit that as recommended in my letter No 516/433, dated 27th April 1895, both the Arrack and Toddy Rules with the amendments proposed in the Draft Notifications therewith submitted, and as now modified in the Government Notifications under reference, together with all the appendices may be republished.

2. I may again bring to the notice of Government that Messrs

Parry

Arrack to the Mysore State,
submitted their Contract Bond
subject to their modifications in
Part 'L' of their Arrack Rules,
as embodied in the Draft
Notification send with my letter
No. 4511-33, dated 27th April 1895.
But as the modified Rules have
not yet been published, the
Contract Bond remains incomplete.
They have, however, been allowed
to carry on their distilling operations
etc in accordance with the pro-
posed modified Rules, in
anticipation of the sanction of
Government thereto. Therefore
everything which is now being
done at their Distillery, is against
the provisions of the existing Rules
of Government. Such state
of things is a source of great
inconvenience, both to the

The proposed modified Rules

Sir,

In reply to your docket No.
6885 dated 28th January 1896,
Ex 212 1st February
I have the honor to State that the
Rules under the Excise Act cannot
be framed inconsistently with the
provisions in the said Act. As
laid down in the Act, the articles
liable to confiscation are only those
which are specified in para 2 of Section
35, last para of Section 36, and para 3
of Section 41. But the draft Notification
proposed in the docket under reference,
contemplates to make the arrack
below the authorized Strength found
under circumstances leading to the
belief that it became so owing to the
conduct or neglect of the licensee, liable
to confiscation by the Magistrate having
jurisdiction

jurisdiction. This is contrary to the rest inasmuch as no Magistrate can order the insertion of any other articles than those specified in the aforesaid Sections. I have invited the opinions of the Deputy Commissioner, Kolar District and the Special Magistrate of the Gold Fields in regard to the amended rule proposed by me. Their replies will be submitted to Government on receipt. The provision in my draft for special permission in the case of lower Strength than 20° under proof may be omitted for the reasons given in your docket.

In his letter d. 5 Feb 96, the Exc. Comr. stated he had submitted opinions on the rules proposed by him. These opinions have not been submitted. May he be asked to do so ~~now~~ early?

I suppose the difficulty lies in the Exc. Offr not being in a position to prove that the vendor actually diluted the liquor, whereas if the rule is altered as proposed, mere possession of diluted liquor would become penal.

In the draft proposed in this office docket 6885 Ex 212 d. 28/11/96 a direction to the magte is inserted in the license ~~is~~ to test the vendor's. I am not sure if that is correct.

fully inserted therein.

3rd. Certain persons who intend to bid for the next contract of the Manufacture of Arrack, and to know the Arrack Rules now in force. Messrs Pamy and Co. executed their Contract Bond subject to the modifications in Part I. of the accompanying Arrack Rules; and such modifications have been in operation since 1st April 1892, in anticipation of the sanction of Government to the same. But as the Rules in Part I. of the Government Notification No. 495, dated 30th March 1892, with the said modifications, have not yet been republished, the intending bidders for the further Contract, are in ignorance of the exact Rules under which Messrs Pamy and Co. are working their present contract. Under such circumstances, it is of utmost importance that the modified

modified Rules should be published without further delay, and I therefore beg to solicit the early attention of Government to the matter.

2. The modified provision only in regards to the payment of monthly Visits, was published in Government Notification No. 5508 R. 1891 dated 11th December 1896; but other altered provisions as per Rule, Notifications have not yet been published as amended Rules. It is therefore necessary that the whole of the Government Notification No. 495, dated 30th March 1892, Viz: Parts I, II and III, as per accompanying amended copy, should be republished, together with all the Appendicies therein mentioned, and which will be sent to the press on the accompanying draft being approved.

3. It is necessary that the provision regarding Beer etc; ordered in Government No. 13849 R. 2002, dated 4th March 1898, should be inserted in Arrack Rules, as well as in Toddy Rules & I have accordingly embodied it in the accompanying

accompanying draft.

4. I beg that 500 copies of the republished Rules both in English and Kanarese, may be supplied to this Office for distribution to the members of the Department, and 1000 Copies to the Government Book Depôt for sale to the candidates preparing for the local service Examination, and to others.

5. The revised draft of Toddy Rules will follow.

NOTIFICATION.

~~No. 485.~~—Whereas ... superseded, as the rules framed by the Government of His Highness the Maharaja under the Excise Act XXII of 1881, are scattered among detached Notifications, and whereas it is expedient to consolidate them and publish them in a connected form, the following Rules framed by the Government of His Highness the Maharaja under the provisions of the Excise Act XXII of 1881, are hereby published for general information and guidance in lieu of all existing rules relating to the subjects herein dealt with:—

PRELIMINARY.

These Rules are divided into three parts, namely—

PART I.—The manufacture of arrack and other country spirits, and management and supervision of the Distillery, ~~Bonded Warehouses~~ and Bonded Depôts;

PART II.—The sale and transport of arrack and other country spirits, grant of "Vend farms" and "separate shops" and issue of Licenses and passes; and

PART III.—Miscellaneous.

PART I.

THE MANUFACTURE OF COUNTRY SPIRITS, AND MANAGEMENT AND SUPERVISION OF THE DISTILLERY, ~~BONDED WAREHOUSES~~ AND BONDED DEPÔTS.

I. The exclusive privilege of the manufacture of arrack and other country spirits ~~(or arrack)~~ shall be disposed of from time to time in such manner and for such fixed period as the Government may direct and appoint in that behalf.

II. The person to whom this privilege may be granted (called the Manufacturer) hereafter, shall exercise the same in strict accordance with the Excise Law and Rules thereunder passed by Government, which may be in force for the time being, and subject specially to the following conditions:—

1. The privilege granted to the Manufacturer shall not include the manufacture or sale of toddy, of "foreign spirits and foreign fermented liquors," or of beer.

2. The Manufacturer shall manufacture ~~the~~ arrack and other country spirits ~~(or arrack)~~ within the enclosure of the Government Distillery near Bangalore, or at such other place as may be approved by the Government. For the use of the Distillery building near Bangalore and the ~~appurtenances existing in connection with the water-supply~~, the Manufacturer shall pay such rent as may be fixed by Government.

3. The rate of price at which the Manufacturer is to supply arrack ~~spirits~~ to the Government, shall be fixed for 20° under-proof, and this rate shall be the price at which the same shall be sold by him to separate shop-keepers and to renters of vend farms in defined tracts. For ~~spirits~~ less strength than 20° under-proof which may be specially manufactured and issued under Rules sanctioned by the Government, the prices shall be calculated proportionately (upon the price for 20° under-proof, in accordance with Casella's rules). But for double distilled country spirits and other special liquors of whatever strength manufactured by him, and issued with the permission of the Excise Commissioner, as well as the under-proof, he shall be at liberty to fix his own prices.

4. The Manufacturer shall keep ordinarily the supply for a month's consumption, and never less than a minimum fixed by Government, in store at the Distillery. This minimum is fixed at ~~17500~~ 22500 23000 gallons until further orders.

5. The Manufacturer will be allowed to purchase ~~liquor~~ arrack and other country spirits from any Sugar Factory which may be established in Mysore, and which may be authorized by Government to distil country spirits, the grant of the privilege of manufacture to the Manufacturer notwithstanding, the Government always retaining the power to authorize the distillation of country spirits in any Sugar Factory. Should the Manufacturer himself establish a Sugar Factory and distil country spirits therein with the permission of the Government, he will be bound to keep in stock such quantities of ~~liquor~~ arrack and other at such Factory as may be fixed by Government.

6. In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government shall be at liberty to establish outstills, giving the Manufacturer the first refusal of so doing.

7. The Government may allow the Manufacturer to manufacture Colombo or other kinds of arrack ~~or liquor~~, subject to such conditions as to the mode of manufacture, payment of duty, the agency of sale, and other matters as the Government may prescribe on the application of the Manufacturer.

8. The Manufacturer shall, upon receipt by him of price at the rates fixed by his contract, sell the ~~liquor~~ spirits at the Government Distillery or other place where he may be allowed to manufacture. Such sales shall only be—

1st. for the supply of ~~such Bonded Warehouse, if any, as Government may decide to establish and maintain~~ such Bonded Depôts as Government may from time to time establish and maintain; ~~and for issue to~~ the Bonded Depôts in charge of any Government Contractor appointed by Government to distribute ~~the liquor~~ arrack to such vend farms in defined tracts or such separate shops in specified localities as may be fixed by Government and to Licensees for other country spirits for the service of Hospitals and other public institutions;

2nd. to separate shop keepers ~~(Retail vendors)~~ licensed to sell in the Civil and Military Station of Bangalore, in the Cities of Bangalore and Mysore and in other places to which the separate shop system may be extended;

3rd. to renters of vend farms to whom the Government may sell the right to vend ~~liquor~~ arrack in defined tracts;

4th to the licensees for the wholesale and retail vend of "Foreign Spirits and Foreign fermented liquors" and for the sale of the same in Refreshment Rooms and in Hotels and Boarding Houses.

III. The following rules shall regulate the relations of an incoming Manufacturer to an outgoing Manufacturer:—

1. The ~~old~~ outgoing Manufacturer shall give, and the ~~new~~ incoming Manufacturer shall take over, any arrack which may remain as stock in hand on the last day of ~~an~~ the expiring contract, the latter paying the former for the same such value as may be fixed by the Excise Commissioner. ~~Such stock shall not ordinarily be in excess of that manufactured monthly on an average for the past 36 months.~~

2. Should the ~~new~~ incoming Manufacturer so require, the ~~old~~ outgoing Manufacturer shall cease preparing "wash" during the last month of ~~an~~ the expiring contract, and vacate the buildings to admit of the ~~new~~ incoming Manufacturer commencing operations. ~~Notice to this effect should be given in writing to the old Manufacturer at least one week previously.~~ Should no such notice be given, the ~~old~~ outgoing Manufacturer ~~will~~ may continue distilling ~~only~~ till the end of his contract, ~~and must, by that date, utilize all the wash on hand, and cease distilling thereafter,~~ after which distillation must cease.

PART II.

THE SALE AND TRANSPORT OF COUNTRY SPIRITS AND GRANT OF "VEND FARMS" AND "SEPARATE SHOPS" AND ISSUE OF LICENSES AND PASSES.

XVII. The period for which a "Vend farm" or a "Separate shop" shall be granted, shall be the period from the 1st ~~April~~ in any year to the ~~31st March~~ following. Provided that, with the approval of Government, the "Vend farm" or "Separate shop" may be granted for a period extending to the ~~31st March~~ of the second or third year succeeding the date of grant.

XVIII. For the purpose of "Vend farms", each District shall be divided into defined tracts either by each Taluk or each Shekdari Hobli, or by groups of such Hoblis, according to local convenience and circumstances. In large Towns and other places where necessary, each shop in a specified locality may be separately given out.

XIX. The exclusive privilege of vending in such tracts or "Separate shops" shall be disposed of by sale by public auction. The sales shall be conducted by the Deputy Commissioner or an Assistant Commissioner authorized by the Deputy Commissioner in that behalf.

XX. The results of sales shall be reported to the Excise Commissioner without delay.

XXI. The terms and conditions of sale and the grant of farms and issue of licenses shall be as follows:—

1. The exclusive privilege of selling ~~country spirits~~ in defined tracts or separate shops in specified localities shall be put up to auction at upset prices, and knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which entitles a bidder to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former ~~contractor~~ who has been guilty of an infringement of the terms of his ~~contract~~ or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale, shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

2. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has deposited Rs. 200 for each defined tract or farm, or Rupees 60 for each separate shop in specified locality. The deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned at the close of the sale. The successful bidder must, on the ~~exclusive privilege~~ being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent; and if he fails to do so, the deposits already made, shall be forfeited, and the ~~exclusive~~ privilege shall be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

3. Resales effected under para 2 shall be at the risk of the defaulting bidder who shall forfeit all gain, and in the event of a loss by the resale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit shall be credited to Government.

4. The purchaser of the exclusive privilege of vend in each defined tract or separate shop in specified locality shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be resold at the risk and loss of the first purchaser as set forth in paras 2 and 3, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it shall be binding on his heirs or assigns.

5. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the appended Form A, to the purchaser of each "Vend farm," and in the appended Form D to the purchaser of each Separate shop, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1.) The exclusive privilege shall extend only to the sale of ~~country spirits~~ arrack ordinarily of 20° under proof, ~~and in special cases of 10° under proof~~, and with the special permission ~~and passes~~ of the Deputy Commissioner or other officer authorized by him, to the sale of ~~double distilled spirits, Rum and "Milk Punch" in bottles duly corked and labelled in the Central Distillery.~~

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury on the prescribed printed Chellans, in equal monthly instalments, commencing from the 1st month of the contract. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay. The Chellans shall be in triplicate in the appended Form E. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate forwarded by the Taluk Treasury Officer to the Excise Commissioner's office, and the triplicate retained with the renter. Payments on account of the shops in the Civil and Military Station shall be made into the Resident's Treasury on the printed Chellans furnished to the shop-keepers by the Collector of the Civil and Military Station.

Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable ~~with interest at 6 per cent per annum~~ from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(c) The above rate is in addition to Excise duty which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at the prescribed rates, before the removal of the spirits from the Distillery or from any Bonded Warehouse or Depôt established as aforesaid.

(d) The licensee shall sell the spirits to the public at the rate of Rs. 5-5-0 per gallon of 20° under-proof or such other rate as may be fixed by Government from time to time, and proportionately for higher or lower strengths.

On further consideration, I am of opinion that there is great force in the Excise Commissioner's argument. The Act does not prevent of any rule being framed authorising the confiscation of weak or adulterated liquor. Hence, a condition to this effect can not well be inserted in the licence. There is nothing to prevent a condition being inserted to the effect that any liquid of the authorised strength found on the premises should be confiscated. If

Government of Mysore
General and Revenue
Department.

Sir,

In reply to your letter No: 3909 / F.X. 147 dated the 26th October 1896, I have the honor to state that the Condition on the point in question, originally stood, as follows in the Retail Arrack Licence, (Vide page 216 of the Revenue Manual of 1874):-

"The liquor of 19 degrees below proof, as purchased from the wholesale shop or Distillery, shall not be diluted or adulterated".

2. It was subsequently amended as follows (Vide Condition

XIII

of Arrack Contractors Agreement
ended to Government Proceedings
379-36, dated the 17th April 1889):-

"The arrack shall be sold as
issued from the Distillery and shall
not be adulterated or diluted
in any manner either in the
wholesale or retail shops."

3. When the five years Arrack
Contract from 1st April 1887 to 31st
March 1892 was granted to Messrs
S Papanaah and Co; the Condition
was amended as follows, (Vide
Condition XII on page 46 of the Excise
Manual of 1890):—

"The arrack shall be sold as
issued from the Distillery, and
shall not be adulterated or
diluted in any manner either
in the wholesale or retail shops.
But distilled water may be
used at the Distillery under the
Supervision of the Special
Assistant for the purpose
of reducing the strength of
the liquor."

4.

4. It would appear that in 1887 when the late Hon'ble D. M. Campbell was appointed Special Assistant Commissioner, he personally got the Retail Arrack Licence form revised by Government as per copy printed on pages 56 to 61 of the Excise Manual. This form was in force till 31st March 1892, Condition IX thereof being worded as follows:-

> "The liquor 20° below proof as purchased from the Wholesale shop or Distillery shall not be diluted or adulterated, and all liquors found to be below that strength shall, if there is reason to believe it became so owing to the conduct of the licensee-holder or his Vendor, be seized and placed before a Magistrate, who after testing it, shall summarily confiscate it, if he agrees that it is owing to the licensee holder or Vendor's neglect. In cases where there is evidence of dilution, the case will be tried and heard under para XVII of this licence".

5.

5. When the late Excise Commissioner Sir Vijayandra Row proposed the Rules and forms of Licenses &c. for the Vend Rule and Separate Shop System introduced from 1st April 1892, it appears that he retained the aforesaid condition in the Separate Shop License D. (Vide X(2) in License D on page 27 of the Government Notification No: 495, dated the 30th March 1892).

6. The same forces was adopted in the Civil and Military Station and published by the Resident in a Circular Notification No: 3207, dated the 14th September 1894.

7. The Excise Head Supervisor and his subordinates who also Supervise the Bonded Depot and Shops in the Civil and Military Station, complain of the same difficulty there as is experienced at the Bangalore and Mysore Cities and in the Kolar Gold Fields. When the proposed amendment is sanctioned and issued by the Mysore Government, the Head Supervisor will

will move the Collector of the Civil and Military Station to recommend similar amendment to be sanctioned by the Resident.

Requesting early publication of the proposed amendment,

THE MANUFACTURE OF ARRACK AND OTHER COUNTRY SPIRITS, AND MANAGEMENT AND SUPERVISION OF THE DISTILLERY AND BONDED DEPÔTS.

I. The exclusive privilege of the manufacture of arrack and other country spirits shall be disposed of, from time to time, in such manner and for such fixed period as the Government may direct and appoint in that behalf.

II. The person to whom this privilege may be granted (called the Manufacturer), shall exercise the same in strict accordance with the Excise Law and Rules thereunder passed by Government, which may be in force for the time being, and subject specially to the following conditions :—

1. The privilege granted to the Manufacturer shall not include the manufacture or sale of toddy, of "foreign spirits and foreign fermented liquors" within the meaning of clause (*a*) of Rule I in Government Notification No. 31, dated the 9th May 1889 and as amended in Government Notification No. 4, dated the 3rd April 1891, or of country beer.

2. The Manufacturer shall manufacture arrack and other country spirits within the enclosure of the Government Distillery near Bangalore, or at such other place as may be approved by the Government. For the use of the Distillery building near Bangalore and the arrangements existing in connection with the water-supply, the Manufacturer shall pay such rent as may be fixed by Government.

3. The rate of price at which the Manufacturer shall supply arrack to the Government, and to separate shop-keepers and renters of Vend Farms in defined tracts shall be fixed for 20° under-proof; for other single-distilled spirits of greater or less strength than 20° under-proof which may be specially manufactured and issued, under rules sanctioned by the Government, the price shall be calculated proportionately upon the price for 20° under-proof, in accordance with Casella's rules. But for double-distilled country spirits and other special liquors of whatever strength manufactured and issued with the approval of Government, the Manufacturer, as well as the person entitled to vend the same, shall be at liberty to fix his own prices.

4. The Manufacturer shall keep ordinarily the supply sufficient for a month's consumption, and never less than a minimum fixed by Government, in store at the Distillery. This minimum is fixed at ~~20,000~~ 18,000 gallons of admissible spirit in terms of 20° under-proof, until further orders.

5. The Manufacturer will be allowed to purchase arrack and other country spirits from any Sugar Factory which may be established in Mysore, and which may be authorized by Government to distil arrack and other country spirits, the grant of the privilege of manufacture to the Manufacturer notwithstanding, the Government always retaining the power to authorize the distillation of arrack and other country spirits in any Sugar Factory. Should the Manufacturer himself establish a Sugar Factory and distil arrack and other country spirits therein with the permission of the Government, he will be bound to keep in stock at such factory, such quantities of arrack and other country spirits as may be fixed by Government.

6. In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government shall be at liberty to establish out-stills, giving the manufacturer the first refusal of so doing.

7. The Government may allow the Manufacturer to manufacture Colombo or other kinds of arrack, subject to such conditions as to the mode of manufacture, payment of duty, the agency for sale, and other matters, as the Government may prescribe on the application of the Manufacturer.

8. The Manufacturer shall, upon receipt by him of price at the rates fixed by his contract, sell the arrack and other country spirits at the Government Distillery or other place where he may be allowed to manufacture. Such sales shall only be—

1st. for the supply of such Bonded Depôts as Government may, from time to time, establish and maintain;

2nd. to separate shop-keepers licensed to sell in the Civil and Military Station of Bangalore, in the Cities of Bangalore and Mysore and in other places to which the Separate Shop system may be extended;

3rd. to renters of Vend Farms to whom the Government may sell the right to vend arrack in defined tracts;

4th. to licensees for the wholesale and retail vend of "Foreign Spirits and Foreign Fermented Liquors," and for the sale of the same in Refreshment Rooms, and in Hotels and Boarding Houses.

III. The following rules shall regulate the relations of an in-coming Manufacturer to an out-going Manufacturer:—

1. The out-going Manufacturer shall give, and the in-coming Manufacturer shall take over, any arrack and other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same such value as may be fixed by the Excise Commissioner.

2. Should the in-coming Manufacturer so require, by at least one week's previous notice in writing, the out-going Manufacturer shall cease preparing "wash" during the last month of the expiring contract, and vacate the buildings so as to admit of the in-coming Manufacturer commencing operations. Should no such notice be given, the out-going Manufacturer may continue distilling till the end of his contract, after which further distillation must cease.

3. The out-going Manufacturer shall sell, and the in-coming Manufacturer shall buy, all apparatus and stock and block belonging

to the out-going Manufacturer at the Government Central Distillery, Bangalore, for a fair and equitable price to be fixed by the Excise Commissioner, calculating the original cost and deducting therefrom depreciation for the period of user at such average rate as may be determined by Government, and of which timely notice will be given to the out-going Manufacturer and to all other persons concerned by a Notification to be duly published in that behalf.

4. Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer.

IV. The following rules shall regulate the management and supervision of the Distillery and the manufacture and storage of arrack and other country spirits and special liquors therein :—

1. The Distillery shall be opened at sun-rise and be closed at sun-set, except on Sundays and authorized holidays, when it will be closed. Under the special order of the Excise Commissioner, and on such conditions as he may prescribe, the Distillery may be worked during nights and on holidays to bring up stock or to meet urgent demand. The holidays herein referred to shall be such as may, from time to time, be proscribed by the Excise Commissioner.

2. The Distillery shall be open at all times for inspection by the officers of the Excise Department, or by any other officer appointed for the purpose. All locks of the Distillery shall be sealed after work is closed each day, and the keys delivered under seal to the officer in charge of the Distillery for safe custody.

3. No arrack shall be taken out of the Distillery until it has been measured or weighed and tested by an official of Government appointed for that purpose.

4. The Manufacturer shall promptly execute such repairs to the Distillery buildings and channels as may be pointed out by the Executive Engineer, provided the cost in the year does not exceed 50 rupees.

5. The spirits manufactured shall be of good quality. The articles used in distilling shall be approved by the senior officer in charge of the Distillery. No ingredients obnoxious to health shall be used in distilling, or put into the arrack or other country spirit or special liquor after it has been made. Standard saccharometers by Long and Dring and Fage, for determining the gravity of the "wash" in its several stages till distillation, shall be kept by the Manufacturer, and a true and correct record maintained for verification and check by the Excise officers. All "wash" shall be secured under lock and key and kept in closed rooms. All spirits shall be kept in a store-room which will be provided by Government for the purpose, and the key of which will be kept by the officer in charge.

6. The spirits manufactured shall not be adulterated or diluted. But distilled water may be used at the Distillery under the supervision of the senior officer in charge of the Distillery, for the purpose of reducing the strength of the same. And if clear and pure spring water be available, it may be used for such purpose in lieu of distilled water, with the previous sanction of the Excise Commissioner.

7. The measure to be used at the Distillery shall be the standard imperial gallon; and $\frac{1}{80}$ part thereof shall be equal to one "arrack dram" of 1,500 minims. These measures shall be passed and sealed by the Excise Department.

8. Casella's and Cartier's hydrometers shall be supplied to the Distillery at the expense of the Manufacturer.

9. No weak spirits below 60° under-proof by Casella's or below 15° by Cartier's hydrometer, or faints, or hot or warm spirits of higher temperature than 90° Fah., or spirits tainted with venom or verdigris, shall be admitted into stores or used for blending purposes.

10. Spirit in any way discolored or with a burnt or bad smell, as well as faints, shall be re-distilled.

11. In stills which have not been worked for more than three days, distillation of ordinary wash may be carried on, provided that the spirit, which runs from stills during the first three hours from the commencement of such distillation, be re-distilled.

12. The Manufacturer shall keep true and correct accounts, in the prescribed forms, of his receipts and disbursements, and of the quantity and strength of the spirits manufactured in, and issued from, the Distillery, and of all materials received and expended daily at the Distillery. The cash accounts of the Manufacturer shall be posted up daily, each item of purchase of stock being duly vouched; and an abstract of the cash accounts in the prescribed form shall be furnished monthly to the Excise Commissioner's Office, duly attested by the Manufacturer or his Agent. He shall produce all such accounts, whenever required to do so, for inspection by the Excise Commissioner or any other officer appointed for the purpose.

V. The following rules shall be observed with regard to the issue of arrack and other country spirits and special liquors from the Distillery :—

1. Arrack and other country spirits shall ordinarily be issued at a strength of 20° under-proof, except in special cases hereinafter mentioned.

2. Should a Foreign Liquor shop-keeper desire to have spirits at a higher strength than the above, the spirits so issued shall be double-distilled spirits, which shall not be of a greater strength than 10° under-proof. Such spirits shall be issued from the Distillery in two dozen quart bottles, four dozen pints, and so on for lower denominations of flasks, as for English and other Foreign spirits; the bottles shall be paid for by the shop-keeper and the spirits shall be issued in such bottles from the Distillery, with the seals and labels affixed on them by the senior officer in charge of the Distillery, and under cover of his passes. In cases in which breakage in transit may be apprehended, the senior officer will arrange for the bottling and sealing being done by Range Supervisors, to whom adequate supplies of such spirits may be sent in jars from the Distillery for the purpose.

3. The duty payable to Government for spirits supplied to foreign liquor shop-keepers shall be calculated proportionately on the rate prescribed per gallon of arrack 20° under-proof or at such other rate as may, from time to time, be fixed by Government. The accounts for such spirits shall be kept separately.

4. Should the aforesaid shop-keeper wish to have spirits of higher strength than 10° under-proof, he shall obtain therefor the special orders of the Deputy Commissioner of the District for which the spirits are intended. Under these special orders, such spirits shall be inserted in the shop-keeper's license, the fact being reported to the Excise Commissioner, for communication to the Distillery officer.

5. No arrack below 20° under-proof shall ordinarily be issued from the Distillery; but should there be a demand for arrack of lower strength than 20° under-proof, arrack at 30° under-proof may be specially issued from the Distillery, such arrack

being kept and accounted for separately both in the Distillery and in Bonded Depôts.

6. Old arrack (*i. e.*, arrack 10 days old or more than 10 days old,) shall, as a rule, be issued from the Distillery and shall be passed at 20° under-proof, for Depôts within 50 miles, and at 19·5° under-proof for Depots more than 50 miles, from the Distillery, and charged for at 20° under-proof. But when, owing to short stock or otherwise, such old arrack is not available and it is found necessary to issue fresh arrack, *i. e.*, arrack less than 10 days old, such fresh arrack shall be passed at 19·5° under-proof for Depôts within 50 miles and at 19° under-proof for Depots more than 50 miles, from the Distillery, and shall be charged for at 20° under-proof.

7. No arrack of 20° under-proof shall be removed from the Distillery in less quantity than two gallons.

8. The senior officer in charge of the Distillery, upon written application made to him for that purpose, may, with the permission of the Excise Commissioner, grant to respectable private individuals for *bonâ fide* private use, but not for sale, and to hospitals and museums and other public institutions, spirit of any strength manufactured at the Distillery, at proportionate rates of duty, in quantities of not less than one ordinary quart bottle, the price charged by the Manufacturer being paid to the Manufacturer, and duty to the senior officer in charge of the Distillery, who shall remit the duty to the Treasury without unnecessary delay. Provided, that no duty shall be charged in the case of spirits issued for the use of the Medical Department of the Mysore Government.

9. The Manufacturer may, with the permission of the Excise Commissioner, manufacture double-distilled country spirits of any strength, milk punch or any other special liquors, under the supervision of the Excise Officers, who will recover from the Manufacturer the duty on the spirit used for the preparation of milk punch or any other special liquors. Such spirits and special liquors, when duly bottled, sealed and labelled by the senior officer in charge of the Distillery at the Manufacturer's expense, may be sold direct from the Distillery to respectable persons with the Excise Commissioner's previous sanction, and to Foreign liquor shop-keepers. The prices at which such spirits and special liquors shall be sold will be fixed by the Manufacturer.

VI. At every distillery the following Registers shall be kept in the forms prescribed by the Excise Commissioner:—

2. All persons entering the Distillery shall be under the orders of the officer in charge, in respect of their conduct and proceedings within the Distillery, and shall be liable to be searched on their quitting the premises, at the discretion of the officer in charge. The Manufacturer and his responsible Agent and any superior official of the Manufacturer named by him or his Agent, will be exempted from the operation of this rule.

VIII. Government shall not be held responsible for the destruction, loss or damage of any arrack and other spirits and special liquors stored in the Distillery, by fire or theft or by any other cause whatever. In case of fire or other accident, the officers in charge of the Distillery shall render all assistance that may be required of them by the Manufacturer.

IX. The Manufacturer shall see that his employés give full effect to the rules and orders passed by Government for the custody and regulation of the stock distilled and passed out, the cleanliness of all vessels used, the tinning of metal vessels, the watch, ward and sanitary condition of the enclosure, and other matters affecting either the Government or the Manufacturer's interests, or both.

X. The Manufacturer shall conform to the provisions of the Excise Act for the time being in force and to the rules hereinbefore contained or any other existing Excise Rules, and any additional rules that may be prescribed from time to time by the Government; and he shall see that all his employes give full effect to them.

XI. If any wilful breach of the aforesaid Excise Rules is committed by the Manufacturer, or with his connivance and privity, by any of the men employed by him in the manufacture, custody, carriage or sale of arrack, it shall be at the discretion of the Government to suspend or cancel the contract, and declare the deposit forfeited, and cause the business to be carried on under the supervision of Government officials of the Excise Department, or by a new Manufacturer, or in any other manner the Government may direct.

XIII. An "Inspection book" in such form as the Excise Commissioner may, from time to time, prescribe, shall be kept at every Distillery, Bonded Depôt, Farm Depot and Shop, in which notes of inspection shall be recorded by the Excise Commissioner, Deputy Commissioner, Excise Assistant Commissioner, Head Supervisor or any other officer authorized to inspect them.

PART II.

THE GRANT OF "VEND FARMS" AND "SEPARATE SHOPS;" THE SALE AND TRANSPORT OF ARRACK AND OTHER COUNTRY SPIRITS AND ISSUE OF LICENSES AND PASSES.

XVII. The period for which a "Vend farm" or a "Separate shop" shall be granted, shall be the period from the 1st July in any year to the 30th June following. Provided that, with the approval of Government, the "Vend farm" or "Separate shop" may be granted for a period extending to the 30th June of the second or third year succeeding the date of grant.

XVIII. For the purpose of "Vend farms," each District shall be divided into defined tracts, either by each Taluk or each Hobli, or by groups of Hoblis, according to local convenience and circumstances. In large towns and other places, where necessary, each shop in a specified locality may be separately given out.

XIX. The exclusive privilege of vending arrack in such tracts or "Separate shops" shall be disposed of by sale by public auction. The sales shall be conducted by the Deputy Commissioner or an Assistant Commissioner authorized by the Deputy Commissioner in that behalf.

XX. The results of sales shall be reported to the Excise Commissioner without delay.

XXI. The terms and conditions of sale and the grant of farms and issue of licenses shall be as follows:—

1. The exclusive privilege of selling arrack in defined tracts or separate shops in specified localities shall be put up to auction farm by farm or shop by shop, as the case may be, at upset prices, and each farm or each shop put up to auction, will be knocked down to the approved highest bidder above those prices, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former lessee who has been guilty of an infringement of the terms of his lease or of the Excise laws or rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

unless revised by Govt for special reasons

2. (*a*) Parties intending to bid must attend either in person or by duly authorized agents.

(*b*) No person shall be permitted to bid until he has deposited Rs. 200 for each defined tract or farm, or Rs. 60 for each Separate shop in a specified locality, or such other reasonable amount as may be fixed by the officer conducting the sale; provided that the Government may at any time dispense with such initial deposit.

(*c*) The deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale.

(*d*) The successful bidder must, on the farm or shop being knocked down to him, and before the next farm or shop is put up for sale, deposit a sum equal to $\frac{3}{5}$ths of a month's rent in the case of a farm, and to $\frac{5}{5}$ths of a month's rent in the case of a shop.

(*e*) Within 15 days, or 7 days, as the case may be, from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent.

(*f*) If he fail to make either of the deposits aforesaid, the deposits already made shall be forfeited, the farm or shop shall be immediately resold or otherwise disposed of under orders of the Deputy Commissioner, and he shall be debarred from bidding again for the same or for any other farm or shop.

3. Resales effected under para 2 shall be at the risk of the defaulting bidder who shall forfeit all gain, and in the event of a loss by the resale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit shall be credited to Government.

4. The purchaser of the exclusive privilege of vend in each defined tract or separate shop in specified locality shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of fifteen days, or seven days, as the case may be, mentioned in para 2 above. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be resold at the risk and loss of the first purchaser as set forth in paras 2 and 3, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it shall be binding on his heirs or assigns.

5. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the appended Form A, to the purchaser of each "Vend farm," and in the appended Form D to the purchaser of each "Separate shop", assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) The exclusive privilege shall extend only to the sale of arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30 under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, and which the foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury on the prescribed printed chellans, in equal monthly instalments, commencing from the 1st month of the lease. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to resell the farm or separate shop as soon after the last day of the month as may be possible. Provided, however, that instead of reselling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay. The chellans shall be in triplicate in the appended Form E. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate shall be forwarded by the Taluk Treasury Officer to the Excise Commissioner's Office, and the triplicate retained with the renter.

(3) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm or separate shop. Provided, however, that where the farm or separate shop is resold or the farm is broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the resale of the farm or separate shop. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of Land Revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(4) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of resale.

(5) (*a*) The licensee shall purchase the arrack, at the prescribed rate, from the Manufacturer or obtain the same from a Bonded Depôt established as hereinafter provided.

(*b*) The licensee of every separate shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation, at the rate of Rs. 180 per annum in advance, for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(*c*) The rate payable as above under clauses (*a*) and (*b*) shall be in addition to Excise duty which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at such rate or rates for arrack of the strength of 20° under-proof as may be fixed by Government, from time to time, and proportionately for lower strengths, before the removal of the arrack from the Distillery or from any Bonded Depôt established as aforesaid.

(*d*) The licensee shall sell the arrack to the public at such rate or rates as may be fixed by Government, from time to time, for 20° under-proof and proportionately for lower strengths.

(6). (*a*) The licensee of every Vend Farm who obtains his supplies from the Distillery shall pay the above duty into the Taluk Treasury and obtain a receipt in the appended Form F., which shall be in triplicate, the original to accompany the "Daily Cash" account to the District Treasury, the duplicate to be delivered

to the Officer in charge of the Distillery, and the triplicate to be retained with the licensee. On production of such receipt and an indent for the supply of the arrack covered by the receipt, and on payment of the price of such arrack to the Manufacturer or his agent at the prescribed rate, obtaining a receipt from him therefor, the Assistant Supervisor or other Officer in charge of the Distillery shall issue the quantity of arrack covered by the amount of duty shown in the Treasury Officer's receipt, and he shall forward the Treasury receipt to the Excise Commissioner's Office under his endorsement as to the date and hour when the arrack was issued. The Assistant Supervisor or other officer aforesaid shall then issue a rahadari in duplicate in the form hereinafter provided for the transport of arrack from the Distillery.

(*b*) The licensee of every Vend Farm who gets his supplies from a Bonded Depôt, shall pay both the price and duty at the prescribed rates into the Taluk Treasury and obtain a receipt in the appended Form G., which shall be in triplicate, the original to accompany the "Daily Cash" account to the District Treasury, the duplicate to be delivered to the official in charge of the Bonded Depôt, and the triplicate to be retained with the licensee. On production of such receipt and an indent, the Government Arrack Carrying Contractor's Agent in charge of the Bonded Depôt shall issue the quantity of the arrack covered by the amount of price and duty shown in the Treasury receipt which shall be dealt with as laid down in the last preceding clause. The arrack issued to the licensee's shops shall be covered by permits as hereinafter provided.

(*c*) The licensee of every Separate Shop shall pay the above duty and price to a special shroff, appointed in this behalf at the cost of Government and located at the Taluk Cutcherry to receive such duty and price daily, including Sundays and holidays; and shall obtain a receipt in the prescribed printed Form "G". On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper shall issue a pass in the prescribed form for the transport of arrack from the Bonded Depôt.

(7) (*a*) Government may establish Depôts in any specified tracts and arrange through a Government Contractor or Agent or in Amani to supply such Depôts with the arrack required for the use of the renters of Vend Farms or Separate shop-kepers in specified localities. These Depôts shall be called "Bonded Depôts." In Districts for which such Bonded Depôts are established, they shall generally be at the localities where whole-sale Depôts existed on 31st March 1892, and serve the same tracts as the latter used to do. The Excise Commissioner shall have the power to alter the location of any existing Bonded Depot, or open additional Depots, should such a step not involve additional expenditure in carriage or storage. The Government contractor shall transport arrack and other country spirits from the Distillery to Bonded Depôts in his own casks, which shall be strong and sound. He shall also provide at his own cost cocks and taps, gallon measures and other prescribed measures for the use of each Bonded Depot.

(*b*) The Government contractor shall pay for the rent and establishment of Bonded Depots.

(*c*) The establishment at each Bonded Depôt shall be under the orders of the Government and of the Government contractor or his agent where one has been appointed for the working of Bonded Depôts.

(*d*) The license to be issued to the Government contractor's agent in charge of each Bonded Depôt shall be in the appended Form R., and the bond to be executed by the contractor shall be in the appended Form S.

(*e*) The licensee of every Vend Farm who draws his supplies from the Distillery shall maintain at a place or places within his farm, where it may be considered necessary by the Deputy Commissioner, a depôt or depôts, to which all arrack purchased by him shall be conveyed in his own casks for verification, &c., of the consignment, under the rules hereinafter provided, before issue to the shop-keepers. The depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed Form B. hereto appended.

(*f*) The licensee of every Vend Farm who draws his supplies from a Bonded Depôt established by Government will not be required to open his own depôt as laid down in the last preceding clause, or to provide himself with his own casks. In such cases the Government contractor, his agent or servants shall convey such licensee's supplies of arrack from the Distillery, and deliver the same to him or to the shop-keepers under him in the aforesaid Bonded Depôt.

(*g*) The licensee of every Separate shop shall take his supplies of arrack in his own vessels from the Bonded Depôt to which it is attched.

(8) The arrack shall be sold as issued from the Distillery or Bonded Depôt, and shall not be adulterated or diluted in any manner in the farm depots, if any, or in shops.

(9) The licensee of every Vend Farm or Separate shop shall keep true accounts of the quantity and strength of the arrack purchased by him and issued.

(10) The arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(11) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(12) The licensee of every Vend Farm shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears of Land Revenue.

7. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws for the time being in force.

Before issuing any cask, the plate containing the name of the Bonded Depôt for which the consignment is intended, shall be fastened on to it.

XXIV. The following rules shall be observed for issuing arrack and other country spirits from the Distillery to Bonded Depôts, for the exercise of proper check over such consignments, and for the disposal of the passes which accompany them :—

Discrepancies or other irregularities discovered shall be reported to the Deputy Commissioner, and to the Officer in charge of the Distillery for necessary action.

6. The date and hour of receipt shall then be recorded on the back of the pass under the signature and designation of the Amildar or Sheristadar or other official appointed by the Amildar for this purpose, and the consignment then passed on to the Depôt to be there booked.

7. The pass shall at once be sent back by the contractor's agent in charge of the Depôt to the Government official appointed by the Amildar, who shall see that such agent has noted underneath the Taluk official's endorsement, "Contents received and booked," with the date and hour of receipt at the Depôt, and "the balance of stock of arrack or other spirit on hand when this consignment arrived," and if it has been verified by the Government officer who passed the consignment.

For this purpose, the register of passes should be scrutinized by the Amildar or Taluk Sheristadar every week or fortnight.

10. On receipt of the cancelled passes in the Excise Commissioner's Office, they shall be duly compared and verified with the duplicate cheques received under the above Rule **2**, and with the accounts sent by the Assistant Supervisor or other officer in charge of the Distillery, and with the Accounts received from Bonded Depôts, and then filed till six months after each lease has been closed, when they may be destroyed under the supervision of some responsible officer.

11. When consignments are received without a pass, the same shall be attached, and the matter at once brought to the notice of the Amildar. If he is satisfied that no fraud exists, he may release the consignments on the security of the Government arrack-carrying Contractor's Agent in charge of the Bonded Depôt, intimating particulars to the Excise Commissioner, who will, after necessary enquiry, direct the issue of a special pass to cover the consignment. This special pass shall be in the same form and issued in the same manner as the ordinary passes, but on paper of different color, in the appended Form L. It shall be issued by the senior officer in charge of the Distillery, who will sign the same.

12. If the contents in gallons or the number as given in the original pass and its duplicate differ from those noted on the cask, the consignment shall be sent on to the Depôt with the precautions which are required to be taken under Rule **11**, to be there examined either by the Amildar himself or by any other officer appointed by him, and a report of such examination shall be forwarded by the Amildar to the Deputy Commissioner. If the place given on the cask differs from that entered in the pass, the cask shall not be sent to the Depôt, but kept with the Amildar, the matter being reported to the Central Distillery. The Government Contractor's Agent in charge of the Bonded Depôt shall at once apply for fresh stock by telegraph if possible.

13. When any consignment is forwarded by railway, the original pass together with the railway receipt shall be forwarded to the Amildar of the Taluk in which the place of destination is situated. Discrepancies and other irregularities discovered shall be reported to the Deputy Commissioner and to the Officer in charge of the Distillery for necessary action.
4. The date and hour of receipt shall then be recorded on the back of the rahadari under the signature and designation of the official appointed by the Amildar for this purpose, and the consignment then passed on to the depôt to be there booked.

5. The rahadari shall at once be sent back by the depôt licensee to the Government official appointed by the Amildar, who shall see that the licensee has noted underneath the Taluk official's endorsement "Contents received and booked," with the date and hour of receipt at the depôt, and "the balance of stock of arrack on hand when this consignment arrived," and if it has been verified by the Government officer who passed the consignment.

If he is satisfied that no fraud exists, he may release the consignments on the security of the depot licensee, intimating particulars to the Deputy Commissioner, who will, after

the necessary enquiry, direct the issue of a special rahadari to cover the consignments. This special rahadari shall be in the same form and issued in the same manner as the ordinary rahadaris, but on paper of a different color in the appended Form P.

If the place given on the cask differs from that entered in the rahadari, the cask must not be sent to the depot but kept with the Amildar, and the matter reported to the Central Distillery. The farm depot licensee shall at once apply for fresh stock by telegraph, if possible.

11. When any consignment is sent by railway, the original rahadari together with the railway receipt shall be forwarded to the Amildar of the Taluk in which the place of destination is situated. On the arrival of the consignment, the Amildar or other official deputed by him shall receive the consignment and deal with it under the provisions of the foregoing rules.

If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare by record in writing that the license is forfeited and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up a defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

12. The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed, or permit transfer of shops from one place to another, or direct new shops to be opened with the previous sanction of the Excise Commissioner. You shall be bound to maintain such supply of arrack as the Deputy Commissioner may consider sufficient to meet local requirements in all sanctioned shops.

13. Each shop-keeper shall place the license granted to him in a conspicuous place in his shop.

18. The shop-keepers shall not harbour robbers or thieves or riotous persons, but, on the contrary, shall give intimation to the nearest Magistrate or Police Officer as to any such persons who may resort to their shops.

19. The shop-keeper shall not receive any grain, jewels, goods, wearing apparel or other article in barter or in pawn for arrack; but, on the offer of any such, shall give information to the nearest Magistrate or Police Officer.

20. No shop-keeper shall allow any quantity of arrack to be removed by any individual from the shop on any pretence whatever without a valid permit, on which arrack up to one quart bottle only, may be removed by respectable persons.

21. You shall provide yourself and your shop-keepers with printed forms of permits for transport and possession of arrack. Such permits shall be in the form prescribed in the Excise Department, and shall be purchased from the local Excise Officer.

22. At every shop for the sale of arrack, there shall be kept a true and correct account showing the quantity and strength of the arrack received therein, the quantity and strength of the arrack sold, the prices at which it is sold, and the quantity and strength of the arrack remaining unsold each day. Such accounts shall be in the prescribed form, and shall be produced for the inspection of the Deputy Commissioner or of any Officer appointed by him for the purpose of inspecting them, or of any Excise Officer, whenever required.

23. Shop-keepers shall be bound to furnish such returns and information as may from time to time be required by the Deputy Commissioner.
